HEC GROUP OF INSTITUTIONS

WI-FI CAMPUS

Our campus is fully Wi-Fi enabled, providing students and faculty with seamless internet connectivity across the premises. This ensures easy access to online resources, digital learning platforms, research materials, and academic tools anytime, anywhere. The high-speed network supports smart learning and enhances overall productivity.

AUDITORIUM

The Auditorium is the vibrant cultural and intellectual hub of the institution. It serves as a dynamic platform where students showcase their talents, express their ideas, and build confidence in front of an audience. Spacious, well-designed, and equipped with modern sound and lighting systems, the auditorium hosts seminars, conferences, workshops, guest lectures, cultural programs, competitions, and annual celebrations.

COLLEGE EDUCATIONAL TRIP

Our college organizes educational trips to provide students with real-world exposure beyond the classroom. These trips are designed to enhance practical learning, encourage exploration, and develop a deeper understanding of academic concepts through experiential learning. Students get the opportunity to visit industries, historical sites, and cultural destinations, helping them broaden their perspectives, build confidence, and create lifelong memories.

INDUSTRIAL VISITS AND PROFESSIONAL TRAINING

Industrial Visits

Students regularly visit leading industries such as Rubico, ITC, Godrej Iteria, Patanjali, Hero Group, Prism Plates, Wipro, Spark Minca, Maximo, Themis Medicare, and other SIDGUL-based companies, gaining valuable firsthand exposure to real-time industrial processes and operations.

Live Projects & Internships

Opportunities for short-term projects and internships enable students to apply academic knowledge in real-world settings. Students have also undergone training at Patanjali Research Institute, Krishi Vigyan Kendra, Internship in Pathology Lab etc. enhancing their practical skills, confidence, and industry readiness.

REAL WORLD EXPOSURE

HEC CLUBS / CELL

Empower students to explore passion, build confidence, and develop skill that shape their overall personality.
